

JERRY A. TISHMAN SCHOLARSHIP

The Jerry A. Tishman Scholarship was established as the result of a generous bequest from, and is named in honor of, Jerry A. Tishman, Preservation Foundation member and preservation advocate. The scholarship is geared to students enrolled in a School of Architecture with interests in Historic Preservation. Pursuit of a Certificate in Historic Preservation is preferred, though not required. Previous work experience is not required, however if you have had experience, you may wish to provide copies of your work.

Scholarship criteria:

- The scholarship will be presented to a student enrolled in an architecture school.
- The chosen student must be a graduate architecture student or entering their fourth or fifth year if they are in a combined bachelors/masters architectural program.
- The chosen student will share with the Preservation Foundation their final project or thesis upon completion so that a summary may be published within their newsletter publications or, if applicable, presented at the Foundation's annual Historic Properties Workshop.

Applications must be submitted to the Preservation Foundation of Palm Beach by **May 31st**.

The Scholarship Review Committee will interview scholarship applicants in May. The announcement of the Scholarship Award will follow shortly thereafter.

An award of \$10,000 will be made out to your school prior to the start of the school year and will be dispersed by the school twice a year—\$5,000 per semester.

Should you have any questions, please contact: Aimee Sunny, Director of Education
