

JERRY A. TISHMAN SUMMER SCHOLARSHIP

The Jerry A. Tishman Scholarship is named in honor of Jerry A. Tishman, Preservation Foundation member and preservation advocate. The scholarship is geared to graduate students enrolled in a School of Architecture in the state of Florida with interests in Historic Preservation. The chosen student shall present a summary of their summer project to the Preservation Foundation at the time of finish. A pursuit in a Certificate for Historic Preservation is preferred, though not required.

SCHOLARSHIP CRITERIA:

The scholarship will be presented to a graduate student enrolled in an architecture program at a Florida university for a summer program focused on historic preservation of their choice.

The chosen graduate architecture student needs to be accepted at a summer program that focuses on the preservation of historic properties. The student shall send a summary of their work at the summer program upon completion that will be included in our Fall Newsletter.

Applications are available to graduate architecture students beginning in December of each year and must be submitted to the Preservation Foundation of Palm Beach by March 16, 2018.

The Scholarship Review Committee will interview scholarship applicants in March. The announcement of the Scholarship Award will follow shortly thereafter.

An award of \$3,300 will be made out to the summer program of choice prior to the start of the program.
